PREFACE

BOURQUIN FAMILY of CAROLINA and GEORGIA

In the colony of Huguenots that came to South Carolina with Colonel John Pury in 1732 and settled at Purysburg, S.C. were two of the name of BOURQUIN, Henry Francois and Dr. John Baptiste, probably brothers. The following account will assist in placing many of the name and some of the collaterals.

THE BOURQUIN FAMILY

PREFACE, Second Edition, revised

Several years after the publication of the brief record of the BOURQUIN FAMILY in 1926 we discovered several records in private hands that caused us to make an exhaustive search of records in several places formerly unknown. A careful analysis of the land records of South Carolina and Georgia disclosed there were MARIE BOURQUIN, Widow, and at least FOUR children who came to South Carolina in 1732, i.e.:

JEAN BAPTISTE, HENRI FRANCOIS, ANNE MARIE and BENEDICT.

We felt that what had been published should be carefully revised and made to accord with new evidence. This has been done during the past ten years and it is believed every possible source of information has been exhausted.

While some changes in the original article were necessary they are of a nature that does not disrupt the continuity.

To all those who have aided in any manner in making this record complete grateful thanks are herewith extended.

HISTORICAL

This record is made upon titles, evidences deserving of credit and real documents taken from the Archives of the "Armorial General de France", manuscripts of the Cabinet des Titres in Paris, Archives of the Department de Nevers and the Library of the Chamber of Deputies, Paris, furnished from Paris in 1928.

The name BOURGOING, alias BOURGOIN and BOURQUIN, has been known in France since the XIV century as attest the ancient documents. The family possessed a Coat of Arms which belonged to JEAN BOURGOING, who was public Prosecutor at the bailiwick of Saint Pierre de Montiers. These arms are at the Cabinet des Titres and were registered at the Armorial General de France by an ordinance issued 8 June 1698.

Arms: Azure, a cross flory Or; escutcheon surmounted by helmet around the neck a collar and medal Or.

Crest: A count's crown.

According to some manuscript notes preserved in the collection of Charles d'Hozier and in the archives of the Armorial General de France, the first items of the genealogy of this ancient house were engraved on a brass tablet sealed in the wall of Saint Martin's church in Nevers, we thus begin the record with:

I Jean Bourgoing or Bourgoin, husband of Marie N. Bourgoing, who in 1340 took part in the defence of Nevers against the English. He was father of:

II Jean Bourgoing, esquire, lord of Vernay, public prosecutor of Saint Pierre des Montiers, husband in 1381 of Jeanne de la Marche, by

whom he had:

iii Guy Bourgoin, esquire, lord of Vernay, father of:

1 Susanne Bourgoin - m 1568 Noel de Machault.

2 Francois Bourgoin

3 Etienne Bourgoin

4 Denis Bourgoin

iv Jacques Bourquin - Protonotary of the Holy See, Canon of Nevers.

v Noel Bourquin - Canon of the Very Holy Church of Nevers, treasurer of the Chapter, Abbott of Bouras, President of the Chambre des Comptes de Nevers.

V Guillaume Bourgoin, esquire, lord of Vernay, Lieutenant General for the King of Saint Pierre des Montiers in 1496, married to Francoise Collison by whom he had:

i Guillaume Bourgoin - who follows:

ii Ann Bourgoin de Rully, dame de Chigny, married to Gilbery de Crest in 1550.

iii Jeanne Bourgoin - not married.

VI Guillaume Bourgoin, esquire, lord des Poissons and de Vernay, Lieutenant General of Saint Pierre des Montiers, married in 1522 to Philiberte le Clere de Trembley, by whom he had:

ii Louis Bourgoin - married 1574 to Jeanne de la Platiere.

iii Jacques Bourgoin - who follows:

iv Guillaume Bourgoin - esquire, lord de la Hone, public prosecutor at Saint Pierre des Montiers, married Catherine Parde 15 July 1587. He was father of:

1 Jean Bourgoin - This line extended in original.

THE BOURQUIN FAMILY

1 JEAN BAPTISTE (1) BOURQUIN

Born 1691 Switzerland, he married prior to 1714. His wife's name was Mary ....., and every indication surname was Lewis. Came to South Carolina in 1732 and settled at Purysburg. He had a grant of land 300 acres, dated 17 Mar. 1735, and 100 acres dated 16 Sept. 1738. One "Mary Bourquin" also had a grant of 100 acres on 16 Sept. 1738, it is not known if this is his wife or his daughter. He was a physician. He served 9 years in the Duke of Marlborough's army. (S.C. Hist. Mag. x-205) Several deeds extant where he sold and purchased land, etc. He died in 1784 aged 93 years. (S.C. Gaz. 30 Jan. 1784) No record of the death of his wife.

Children: (known)

i Mary Anne: b 171-, married Munger. He died prior to 1771, she died about 1771 as her brother, John Lewis Bourquin, was "Cited" by court to administer her estate in Sept. 1771. No record of children if any.

5 ii Benedict (2): b ca 1716, died 1771 Ga.

6 iii Henry Lewis (2): b 172-, died 1774 Ga.

iv Daughter (2): b 172-, married John L. Detheridge. He died in the 1760's in S.C. Estate administered by John B., Henry Lewis and John Lewis Bourquin, S.C. No date on her

death, probably removed to Georgia. They had, known:

1 John Detheridge, Jr. (3): b 175-. Was of age or over in 1774; one of the executors to will of Henry L. Bourquin Dec. 1774. Was devised land by said Henry L. Bourquin in 1774. On 16 July 1797 "John Detheridge, Gent. of Ebenezer, Ga., to Patrick Doyle, Merchant, of Savannah, Ga. deeds tract of land bounded by lands of Henry Bourquin (No. 11) originally granted to said Henry Lewis Bourquin, etc." (Deeds Liberty Co. Ga.) No subsequent record.

7 v John Lewis (2): b ca 1727, died 1794 S.C.

vi Robert Lewis: b 173-. Only record of this man known is "On 11 Nov. 1761 Robert Lewis Bourquin granted 550 acres of land in Purysburg, S.C." No record of any disposition of this land and it probably reverted to the State.

2 HENRI FRANCOIS (1) BOURQUIN

Born 1693 Switzerland. He was married prior to 1719 to ..... no record of her name or parentage so far discovered. Came to South Carolina with Pury's colony in 1732. Was granted 300 acres of land 17 Mar. 1735 and 50 acres 16 Sept. 1738.

In 1747 John B., Henry F. and Benedict Bourquin and others petitioned for 500 acres of land each in Georgia, all shown as inhabitants of South Carolina; action postponed on account of the slave question.

On 5 May Henry renewed his petition for 500 acres in Georgia and this was granted before Sept. 1750 on which date he was a resident of Chatham Co., Ga. On 3 Apr. 1755 he asks for 1000 acres of land, postponed to June 1755 when he states he possesses 500 acres of land already laid out and hoped an addition having a WIFE & FOUR children & 25 negroes ..... also asks for a Lot in Hardwicke; both petitions granted.

On 30 Sept. 1757 petitions by "HENRY BOURQUIN" show four grants of 500 acres each; TWO of these grants pertain to this Henry Bourquin, the other two pertain to another HENRY (2) BOURQUIN, his nephew No. 11. He asked for 500 acres on 2 May 1769 for 20 negroes for whom he had not obtained land, granted in St. Philip's Parish. On 4 July 1769 he again asks for 500 acres of land for 20 negroes for whom no land had been granted, this was granted in St. David's Parish.

On 5 Sept. 1769 Henry Bourquin states his grants of 1000 acres on 30 Sept. 1757 and 500 acres, St. Philip's Parish, he resigned rights to 1000 acres tract to son-in-law Henry Lewis Bourquin & 500 acres tract to son-in-law John Fox, asks said rights be confirmed to said parties.

On 5 June 1771 he states the 500 acres granted in St. David's Parish time has lapsed and asks leave to take up the grant, etc. this was approved 6 Aug. 1771.

There does not appear any disposition of his lands in South Carolina excepting 50 acres in 1772, and the deduction is that said lands passed to sons-in-law John Keall and ..... Waldburger.

He was a member of the legislature from Little Ogeechee in 1764, 1765, 1768, 1769 and 1772. He deeded land to Horatio Marberry, etc. and said land subsequently passed to "Henry Bourquin, No. 11" in 1787. His wife was deceased before 1775; he dated his will 23 Nov. 1775 with Harriet Bourquin, Frances Fox and Katherine Rehm as executors. He died in 1778 and is buried on his plantation, a large slab marks this burying ground marked "Henry Bourquin, aged 85 years/ His Family Vault."

He does NOT name all of his children in this will and it appears he left no male issue.

Children:

9 iii Suzanne (2): b 172-, died ante 1775.

iv Marie (2): b 172-, married prior to 1758 David Huguenin, b 172-, bp 28 Oct. 1728; she died Oct. 1771; had 5 children. See Some Huguenot Families of South Carolina and Georgia, Supplement No. 2, Davis.

10 vi Harriet Henrietta (2): b 173-, died 11 Aug. 1797.

vii Frances (2): b 173-, married prior to 1769 John Fox. She was one of executors to will of her father 1775; was legatee in will of her sister Henrietta B. Jones 1788; apparently was deceased before 1809-1811 as she is not listed as heir or relation, etc. of sd Jones. They had, known:

1 John Fox, Jr.: b 17--. Was living 1788 and named in will of his aunt Jones, not known to have been living in 1811; he is not listed as heir or relation of said Jones in the Power of Attorney, etc.

3 ANNE MARIE (1) BOURQUIN

Born circa 1697 Switzerland. She evidently married in 1720's in Switzerland one ..... Villard or Viller. She was probably a widow when she came to South Carolina with her brothers in 1732. Her record came to light some years after 1926 and purely accidental.

The South Carolina land records show "Anna Maria VILLER" was granted 300 acres of land 16 Sept. 1738; and "Anne Mary VILLER" was granted 100 acres on the same date in Purysburg, S.C.

The next record of her is a deed in French recorded in Charleston:

Ann Marie Bourquin
to
David Villard & others
Deed of Gift, etc.

This 17th day of February 1744 personally appeared before me Jean Linder, Esq., Justice of the Peace for his Majesty, for Granville county, Anne Marie Bourquin widow of Villard who declared that she intended to marry again and for this reason she wished to dispose of the property of which she gives to her son David Villard her plantation and all that in contains; Further she gives to her three children equal portions of all her movable possessions of whatever they may consist without any exception and furthermore she constitutes by these presents her eldest brother Doctor Jean Baptiste Bourquin their guardian in testimony of which she has signed the present deed of gift in the presence of

Ann Marie Bourquin

- Witnesses -

Henry Bourquin The present deed of gift has been passed
Alex: Linder upon before me on the daye and year above
mentioned. John Linder.

Recorded 3d May 1763 Examined
(Deeds ZZ-723 Charleston) per Wm Hopten, Public Registrar.

We have no information as to name of second husband; David Villard evidently was living in 1763 when this deed was recorded.

Children:

i ..... Villard: b 172-, living 1744.

ii ..... Villard: b 172-, living 1744.

iii David Villard (2): b ca 1727, was a minor in 1744. One David VILLIARD was living in Beaufort Dist., S.C. in 1790; in this house were 2 males over 16, one male under 16 and 5 females; the head of the house owned 8 slaves. It is not known if this is David Sr. and his family, or if a son, DAVID JR. and his family. It definitely shows that David Sr. left descendants.

One Eliza VALLARD, b 8 Nov. 1787 Beaufort Dist. m prior to 1806 John Huguenin; one William B. Villard, M.D., b 1810 S.C. was living in St. Peter's Parish, Beaufort Dist. in 1850, had a wife Harriet, b 1826 and children: Eliza, b 1844; William D., b 1846; Catherine, b 1848.

Both of these probably belong to this family

4 BENEDICT (1) BOURQUIN

Born circa 1701-1702 Switzerland. He married prior to 1730 Jann Judah ....., born 170-; there is circumstantial evidence she was a daughter of Abraham Chardonell, who was also a member of Pury's colony.

They came to Purysburg, South Carolina in 1732. He was granted 300 acres of land 16 Sept. 1738. He was deeded 300 acres of land by Abraham Chardonell 24 Feb. 1747. This tract of land was conveyed by lease and release to William Elbert by Benedict Bourquin and his wife "Jann Judah" under date of 12 Feb. 1751; Jann Judah waives dower to this in 1753. (Deeds NN-211-14, Charleston.)

On 1 Mar. 1747 he was one of several petitioners for 500 acres of land in Georgia, all postponed on account of the slave question. On 5 May 1749 he renewed his petition and was given 350 acres to be adjoining the 500 acres of "his brother" Henry F. Bourquin. On 27 Sept. 1750 he petitioned for 500 acres near the place he before had land granted him, etc. It appears that one Samuel Marcer, assistant to the Board, had told the surveyor on the previous grant to leave 500 acres vacant between Henry Bourquin and Philip Delegal and by so doing Benedict found himself pushed into a swamp with no high ground for a house or barn and declined to take it. This was investigated and found said Marcer had been accustomed to accumulate land by this method for some time. On con-

sideration the Board found Benedict had been ill used and that his Circumstances (having lately met with heavy misfortune) were not so well as eighteen months previous and having a numerous family grant him 200 acres of said reserved land, reserving the other 300 acres to be given if he should appear deserving and of ability to improve same & if not to be disposed of otherwise.

They evidently removed to Georgia during the year 1750. On 2 June 1752 he renewed his petition for balance of 300 acres of land and it was granted. This land was adjoining the 500 acres granted to his brother Henry F. Bourquin in 1749.

On 5 Oct. 1756 Benedict Bourquin petitions for 450 acres of land, states he possesses 500 acres and desires an additional tract, having a WIFE & EIGHT CHILDREN and 17 negroes, asks 450 acres situate between Great Ogeechee and Midway.

Benedict Bourquin was awarded first prize and one half of third prize for planting the greatest number of white mulberry trees on his plantation, this in the year 1757-1759.

This appears to be the last definite record of this family in this county excepting his eldest son, Henry, who subsequently shows up in possession of most of this land, this is HENRY BOURQUIN, No. 11. It has seemed strange that such a large family should disappear so completely from the records and from the scene of action. Knowing this section to have been at times subject to the ravages of YELLOW FEVER it is plausible to surmise that this family may have been one of its victims.

They may also have removed from this county though there is no evidence of record of this name in Georgia for this period that is not fully accounted for. Neither does this name of Bourquin appear in any of the northern states for 1790 though it is known some of the Purysburg settlers did migrate north.

There were eight children living in 1756 exclusive of the eldest, Henry.

Children: (known)

11 i Henry (2): b 1730 Switzerland, died 1799 Georgia.

ii Andrew (2): b ca 1736 South Carolina. This name appears to be for his grandfather's side as it is foreign to the Bourquin side. The only record so far discovered of him in Georgia is "Andrew Bourquin" was granted land in Greene County, Georgia in 1787. (Ga. Land Rec.) There were Bourquins living in Louisiana in 1929-30 from whom no information was obtainable and it is possible they are descendants of this man.

iii Jane: b 173-

iv Abraham: b 174-

v John B.: b 17--. Is mentioned in a land record but it is of doubtful value as the date evidently has been confused with the original petition of Dr. John B. Bourquin of South Carolina. (White's Hist. Coll. Ga.)

(References; same as quoted for Henry F. Bourquin No. 2.)

THE BOURQUIN FAMILY

5 BENEDICT (2) BOURQUIN

(John B. 1.) Born circa 1716 Switzerland, came to South Carolina with his parents in 1732. He married prior to 1745 Jane Judith, daughter of Henry Francois Bourquin, born 1719 and first cousins. Resided in South Carolina to about 1755-56 when they moved to Chatham County, Ga.

He petitioned for a Lot in Hardewick June 1755, this was rejected. On 5 Oct. 1756 he again petitioned for Lot in Hardwicke and was granted No. 113 on condition he take out the grant within 7 months and register same within 6 months.

On 28 Mar. 1758 he appears to have had a grant of another Lot in Hardwicke. On 4 July 1769 Benedict Bourquin states he has 6 negroes and desires and asks for 300 acres of land situate on Little Ogeechee River about one mile from John McLean, this was granted.

It appears he made another petition about 1769-70 for 150 acres of land in Christ Church Parish which is not of record. He died intestate Sept. 1770 and the following item is evidence of his petition for the land above mentioned:

"5 Feb. 1771 Petition of Jane Bourquin, states that Benedict Bourquin, decsd, had ordered 150 acres of land in Christ Church Parish which was not completed and asks that grant may pass to her son, Benedict, a minor child of sd Benedict Bourquin;" granted conditional on 6 months registration.

On 5 Mar. 1771 petition of Jane Bourquin states her husband Benedict Bourquin, left 8 negroes to his children for whom no land has been

granted and asks in TRUST for Benedict and Francis, her sons, 400 acres near William Austin, etc.; granted.

The following item is taken from an Auditor's Journal, Revolutionary payments to Continental troops for service in East Florida:

November 4, 1783. The United States Dr. to Jane Bourquin for supplies of forage for public service: 0-9-1 pounds. (Arch. Ga.)

Jane Judith survived him many years and was legatee in will of Henrietta B. Jones in 1788 who calls her SISTER, etc.

She dated her will 23 Feb. 1799 and names the following:

Son: Benedict

Son: Henry, 20 shillings

Daughter: Mary Ann, 20 shillings

Son: David Francis, 20 shillings

Granddaughter: Ann Sophia, daughter of sd David Francis, etc.

Executor: Benedict Bourquin; witnessed by Benj. Raynes, Mary S. Raynes and Sarah McKinley. (Wills B-53, Savannah, Ga.)

This will was presented for probate 11 March 1799, note the following item which shows the Executor, son Benedict, was NOT slow in executing the will.

Georgia Gazette, 14 March 1799 (Thursday)

"Died last Monday'se night at Little Ogeechee aged 81 Mrs. Jane Judith Bourquin, widow of Mr. Benedict Bourquin."

The following abstract of a deed is of interest ..... Whereas Benedict Bourquin the Elder died intestate Sept. 1770 leaving widow,

several children and considerable estate. The widow died in 1799 devising 1/3 of her estate to her son Benedict, etc. On 4 Apr. 1800 to adjust matters it is decreed that Benedict Bourquin shall dispose of 2 negroes bought by his mother and Ann Sophia Bourquin shall have ..... etc. Signed by Henry Bourquin, Mary Ann McKnight, Benedict Bourquin, David Francis Bourquin and Peter LeFitte; witnessed by Donald McLeod, William Gibbons and Shadrach Butler; "Done at Little Ogeechee 4 Apr. 1800." (Deeds Lib. V-368, Savannah, Ga.)

On 5 Oct. 1800 we find re-settlement of estate of Jane Judith Bourquin the following:

"The executor of Jane Judith Bourquin, letters of dismissal from the heirs at law: Mary Ann McKnight, daughter of Benedict Bourquin, the Elder; Henry Bourquin and David Francis, sons of same; Peter Samuel LaFitte, Esq., in right of his wife, Jane Judith, late Jane Judith Papot, daughter of James Papot and Susannah his wife, the daughter of Benedict Bourquin, Senior, both now deceased" ..... Witnessed by Shadrach Butler and Stephen S. Williams. (Lib. W-43-45) There was another adjustment made in or about 1802 reclaim of a child of Mary Ann McKnight, etc.

Children:

i Daughter: b 174-, no record.

ii Judith: b 1747, was legatee, provisional, in will of James Papot, brother-in-law, and was a witness to this will, 3 Jan. 1784. She died after 1784. No further record.

iii Susannah (3): b 1749-50, married ca 1766 James Papot, b

1742-3; she died prior to 1784, he died May 1784 at Savannah, Ga. They had:

1 Jane Judith Papot (4): b 1767-8, married 5 June 1787 Peter Samuel LaFitte. See Some Huguenot Families of South Carolina & Georgia, Davis, 1926.

iv Henry (3): b 175-. Very little is definitely known of him. He is mentioned in the Power of Attorney of 1809 and 1811 as an heir of Henrietta B. Jones, etc. but did NOT sign this paper. Was summoned as a witness with his brothers in a case in Liberty Co., Ga. in 1815, did not testify. "He is stated to have been taken ill while returning from a trip to Milledgeville, Ga. and to have made a nuncupative will in favor of one Thomas E. Lloyd; died on the road and was buried by roadside instead of having his body returned to Savannah, etc." This story is TRADITIONAL, we have no evidence to confirm it in any manner. If he made such a will it was never probated. There is no evidence he ever married nor is there any record of his death.

12 v Benedict (3): b 1753, died 6 Dec. 1821, aet. 68.

vi Mary Ann (3): b 175-, married Mr. McKnight, of South Carolina, she was living 1799 and legatee in her mother's will; living also in 1811 and signed the Power of Attorney as heir of Henrietta B. Jones, etc. They had, known:

1 Mary McKnight (4): b 17--, married, date unknown,

George Barksdale, of Beaufort, S.C. Both deceased before 1802. They had:

a Mary White Barksdale: b 17--. She appears in a deed record in settlement of estate of Jane Judith Bourquin, etc. (Lib. X-88, Savannah, Ga.)

13 vii David Francis (3): b 8 May 1759, died 11 Jan. 1825.

6 HENRY LEWIS (2) BOURQUIN

(John B. 1.) Born 172- Switzerland, came to Purysburg, South Carolina with his parents in 1732. He was granted 100 acres of land in Purysburg, S.C. 24 Aug. 1743. He was a physician, no record of where he attended school or how he obtained his degree. There are several records of business transactions in Georgia, etc. He removed to Savannah, Ga. before 1763 and the following is found in Georgia Gazette, 2 June 1763:

"The subscriber gives notice that he hath opened a shop in Mrs. Campbell's house near the church in Savannah where he will practice physick and surgery; he will particularly cure the burstedness or rupture of the gut and others."

Signed. Henry Lewis Bourquine

Also advertises to sell various articles such as sugar candy, Jordan Almonds, raisins, butters, cordials, etc. In the Georgia Gazette 29 Dec. 1763 appears: "On Tuesday December 20th was married Dr. Henry Lewis Bourquin to Miss Harriet Bourquin of Little Ogeechee."

On 2 May 1769 he petitioned for land stating he had been many years

in the Province and had no land granted him, has a wife and 4 Negroes & asks 350 acres in Great Ogeechee between Smith and John Milledge, granted, conditional.

On 6 June 1769 he petitioned for land, states the 350 acres last granted was not to be found, etc., and asks 250 acres adjoining Henry Bourquin and within 2 miles of Robinson; granted conditional.

On 5 Sept. 1769 he was assigned 1000 acres of land granted to Henry Bourquin by the said Bourquin his father-in-law. He appears to have had another grant in 1772 which is not recorded but appears in the following deed in Liberty Co., Ga.: 16 July 1797 John Detheridge, Gent. of Ebenezer, Ga., deeds to Patrick Doyle, Merchant of Savannah, Ga. a tract of land bounded by lands of Henry Bourquin (No. 11, son of Benedict) originally granted under date of 6 Oct. 1772, etc., said land was bequeathed to John Detheridge by Dr. Henry Bourquin in will dated 5 Dec. 1774 in Savannah."

He is listed among "Patriots" 10 Aug. 1774. (Ga. Land Marks, p. 643.) He appears to have had another grant of land in 1774 not recorded but which is covered by a deed shown in his brother's record when he gave bond for sale of this land to John Shick, etc.

Henry Lewis Bourquin, Archibald Bulloch, Noble Wimberly Jones and 7 others were chosen Vestrymen, 6 Apr. 1774.

He dated his will 5 Dec. 1774 and died soon thereafter as it was admitted to probate 23 Dec. 1774 by his widow Henrietta and John Detheridge; see further of this in record of No. 10 Harriet Henrietta Bourquin.

Original will and probate copy Dept. Arch., Atlanta, Ga. in book AA-116-118.

No children.

She married (2) sometime before 1775 Dr. Frederick Rehm, of Purysburg, S.C.

She was legatee in her father's will of 1775 and also in her sister's will of 1788. Dr. Rehm is listed as Justice of the Peace, Savan-

In 1805 Henrietta Hoskins now Almy caveats she was nearest relation to Henrietta B. Jones, etc. She was apparently a widow again in 1811 when she signed the Power of Attorney as "Henrietta Hoskins" heir and relation of Henrietta B. Jones. No further record and no children known.

(Henry F. 1.) Born 172- Switzerland, came to South Carolina with her parents in 1732. She married circa 1750 John Keall, of South Carolina. Not much is known of this family. They were both apparently deceased before 1775.

10 HARRIET HENRIETTA (2) BOURQUIN

(Henry F. 1.) Born 173- probably in Purysburg, South Carolina, moved to Georgia with her parents and married (1) 20 Dec. 1763 No. 6, Dr. Henry Lewis Bourquin, 1st cousins. She was one of the executors to her father's will in 1775. She has proven an important character in this record and we will burden the reader with some detail.

Dr. Bourquin died before 23 Dec. 1774, his widow and nephew, John Detheridge, executed his will on this date. On 14 Aug. 1779 there is a marriage agreement between Henrietta Bourquin, of Christ Church Parish and William Jones, of Savannah, Attorney, and John Fox of said Parish; Henrietta Bourquin, daughter of Henry Bourquin, decsd, owns land under will of said Henry Bourquin, her father, bearing date of 23 Nov. 1775, Plantation called "Good Hope", at Acton, said Parish, of 481 acres and buildings, etc. Said will directed division of all estate 1/3 to daughter Harriet Bourquin, she to have first choice, etc. (Deeds C-189)

This was her second marriage, Jones was previously married and had children at date of this marriage. The will of Henry F. Bourquin was not RECORDED until 1783.

Auditor's Journal for Revolutionary payments shows: (Ga. Arch.)

William Jones was named Executor to this will. Henrietta died 11 Aug. 1797 in Nassau. (Ga. Gazette) Jones married (3) prior to 3 Sept. 1798 Margaret ..... He made a will 3 Sept. 1798, this is quite a long will and only items of interest quoted:

"All monies which came to my hand in consequence of my marriage with my late wife, Henrietta Bourquin Jones, namely eight hundred and twenty pounds Sterling, with a bond of Jacob Waldburger for three hundred pounds, like money and the interest due or to grow thereon, I will and direct may be equally divided between the nearest relations of my sd wife ....."

My son: Gabriel Edward Jones, lands in Wales, etc.

My granddaughters: Marie Theresa Wemyss

Henrietta Bourquin Wemyss

My wife: Margaret .....

Jones was executor to will of his wife Henrietta, he apparently made no effort to probate same. He died 20 May 1799. After his death the will of Henrietta B. Jones was presented for probate 28 Oct. 1800 at Savannah, Ga. at which date appeared Zachariah and Henrietta Hoskins who claimed "Nearest Relation", they with Edward Hardin were appointed administrators, etc. In 1805 John H. Morel applied for letters of administration; Zachariah Hoskins was deceased and Edward Hardin requests to be relieved as Henrietta, "now Almy", has failed to make proper re-

turns, etc. This appears to the final on this will.

About 1809 certain heirs of Henrietta B. Jones had drawn up a Power of Attorney to a lawyer in Nassau to secure from the estate of William Jones the portion of Henrietta B. Jones mentioned, etc. We have not seen this paper nor a copy thereof but have been informed the paper dated 1811 is a duplicate of it. This instrument is not on record at Savannah, Ga.

In 1811 a Power of Attorney was drawn to William Kerr, Attorney at Law, Nassau, for procedure against the estate of William Jones, late of Nassau, etc. for the money which was to be divided between nearest relations of Henrietta Bourquin Jones. We whose names are mentioned claim and are entitled to receive the said sum .....

SISTER of the said Henrietta B. Jones.

	George W. Allen, Extr of Mrs. McKnight, decsd.

It will be noted this paper was never completed and does not bear any date save 1811; has no witnesses, and was not signed by all of those mentioned. This paper was found many years later in an old safe; we have photostatic copy of original which was in hands of Mrs. J. S. Canon, of Savannah, Ga. in 1930.

This document is given as above merely as evidence of relationship of certain persons in this record. Apparently no effort was made by the signers of this paper to secure OTHER near relations who are known to have been living at the time. We have no information as to whether the

matter was ever settled. Savannah court records show nothing.

Henrietta died leaving no children.

The following is from Charleston Gazette 23 Dec. 1797: "Died in the 35th year of his age, at his seat on May River on the 11th inst. David Dixon Stoll, Esq. A member of the house of representatives of this state.

The fortitude with which this worthy man bore his last illness of thirty days continuance was truly admirable. Through every stage of the disease his countenance and deportment were more than philosophically placid and serene. His life, luminous with virtue and piety was succeeded by a peaceful and triumphant death which he was fully persuaded would usher him into a glorious immortality. The deeply affected widow, his aged and venerable mother, and only sister unitedly mourn their irreparable loss, of one who was inestimable as a husband, son, and a brother, and a friend.

The church, of which he was a most worthy and useful member and officer, laments the loss of one of her strongest pillars, and brightest ornaments. Indeed, without exaggeration, it may be avered that the vicinity in which Mr. Stoll lived, the state, the legislature, the coun-

try, the world, are much the poorer for the dissolution of this worthy and active member of society, this respectable citizen, this eminent christian."
